Also: Can you read and write, but still can not speak fluently? Is it difficult to speak English? Do you need more practical conversation in English? There are many reasons why people can not speak English. One of the main reasons is because people do not study enough. People do not study enough because they do not know what to study. After studying for many years and do not see the results, it's frustrating! What happens if you can study with learning materials that contain sentences that are really used by native English speakers? What happens if you can see the immediate results with thousands of audio files? Takeglish provides study materials that will really use? Do you feel nervous about speaking English? Are you a timid when you have to speak English? Are you lacking in English? When you are nervous, you lose confidence. When you lose trust, you get nervous. When you are nervous and you do not have any confidence, you will not speak English to other people. When you do not speak English, do not practice and you can not improve. The best way to overcome nervousness is to gain knowledge. If you can do something, you will not be nervous and you will want to speak English to other people. Is not it what you want? Daikenglish Solves this problem by providing hundreds of conversation dialogs with an interactive conversation tool to give it practice so you can get confidence in speaking English.
